

## Directions to God:

*Simultaneously blend all of the following ingredients into your conscious world. Allow love to rise to the top. Experience the joy, realizing the only burden remaining is to be without God. Proceed to heaven.*

- ❖ Love *all* of God's Children equally.
- ❖ Realize nothing you could steal is *ever* worth the price of your precious soul.
- ❖ Revere *all* life, and all of God's creations.
